First, I'm going to rent a vehicle?an all-electric one. Yes, I'm a supporter of the fight against global warming. Arriving at the dealership, I'm hesitating between a BYD and a Tesla; in the end, I choose the Chinese model. So I head to Højbjerg to meet my partner. During the car ride, I don't know why, but I remember a show I watched on television. This TV investigation was about #drug_trafficking in Denmark and Finland.
